ASHUTOSH MISHRA

Coding It My Way

@ ashutoshm1771@gmail.com 📍 Bhimavaram, India
✓ www.ashutoshmishra.com.np https://github.com/ashutoshm1771

SKILLS

- C,C++,Python,Java,PHP(Basics)
- HTML,CSS,BootStrap(Basics)
- MySQL,PHPMyAdmin,DBMS
- Windows,Linux

TRAININGS

Competitive Programming BootCamp
Xobin Technologies

📅 May 2018 – July 2018 📍 Online

- Learnt classical techniques of solving competitive coding problems.
- Got a good command over important languages such as Python and C++
.

Artificial Intelligence Workshop
Benett University

📅 January 2019 📍 Bhimavaram, India

- Got a very detailed acquaintance with the discipline of AI.
- Learnt the scope of Artificial Intelligence, Machine Learning, Deep Learning and Data Science, in a considerably brief time.

PROJECTS

Air Pollution Hotspot Detection
Deep Learning

Developed a web portal for detection of air pollution hot-spots using ML algorithm which was a problem statement given by ISRO in SIH2020.

Alumni Tracking System
Web-Development

A Web Development Project for an institution to track its alumni members and subsequently connect them with the students. Used Bootstrap, JSP, Tomcat, PHP.

Personal Library System
HTML, CSS, PHP

Developed a model Personal Library Website using HTML,CSS and PHP.

Personal Website

Issued a domain of my own, and built the website thoroughly so as to present my skill-set, projects, and interests.

MOST PROUD OF

Toastmasters International Awards
- ISC and Table Topics First Runner Up
- Humorous Speech First Runner Up
- Evalutation Contest Second Runner Up

Co-Curricular Awards
- BEC by Cambridge Univeristy(Vantage)
- Finalist in SRKR Orator Championship
- Best Team Award in STELLAR-2k19
- Executive Body Member of ACE
- A Member of Vikasa Varadhi Industrial Tour

My Growth In The B.Tech Span
- Developed a keen interest in Coding
- Became a good Public Speaker
- Became an active member in Clubs

My Never give up attitude
I never give up on anything even if it seems impossible.

STRENGTHS

Smart-working Persuasive
Motivator & Leader Passionate

Data Structures & Algorithms
Problem Solving & Aptitude
Website Development
